

QUEEN OF ANGELS

Lens	Basis/Source of Inspiration	Vision
Pearl of Great Price	<ul style="list-style-type: none"> • Welcoming Community • Inspiring Liturgy • Inspiring Stewardship 	Continue to be a faith based community with a rich liturgical voice that echoes the gospel and inspires us toward meaningful stewardship within our ministries
Biblical Passage	Jn. 2:5 Wedding at Cana <i>“Do whatever he tells you.”</i>	Continue to look at Mary, Queen of Angels, as our role model of how we should seek God, by caring for others and caring for the world. She exemplifies humility, love, and faithfulness to God and invites us “to do whatever he tells you”.
Parish Composition	A mosaic of young and old new and current parishioners that have a rich cultural heritage inside and outside the parish boundaries.	Continue to touch others by being present to them through a smile, a handshake, hug, or an introduction. These gestures bridge our way to each other. No matter what age they are, ethnic origin or language they speak, they are our neighbor in which we see the face of Christ.
Demographics	Serving the people of the Lincoln Square area	To become better evangelizers of our Catholic and non-Catholic neighbors embracing a truly missionary spirit in our community
Spiritual Challenge	Not ignore the 99 (<i>Lk 15:4</i>), workers already in the vineyard while reaching out to new members within our parish.	To continue to grow in our faith through leading by example. This means listening to others, discerning our call, and becoming more inclusive as a community.
