

QUEEN OF ANGELS PARISH MEN'S CLUB

Welcome to the Club,

If you didn't know, we have a great group of guys in the Parish. We are all here because we know that our church, school, neighborhood, and kids make us unique. And we are the stewards of these gifts.

The Men's Club hosts weekly basketball games, gym-nights for the kids, Texas Hold'em tournaments, and an annual golf outing in support of scholarships for students pursuing a Catholic Education. We also volunteer as a group on a variety of service projects that maintain the physical plant of the Parish and school. We are the guys who help out with the major fundraising events including Harvest Jam, Winter Toast, The Arts & Craft Fair and Christmas Tree Sales.

Your involvement is the key to success. Please consider joining or renewing your membership. We thank you now and may God bless you and your families.

Sincerely,

Mike Beyer	<i>President</i>
Michael Witchger	<i>Vice President</i>
Tom Dugard	<i>Secretary</i>
Wayne Steger	<i>Treasurer</i>

Our Annual Appreciation Dinner is a time to eat and drink in appreciation for everything we do together as a community in support of our parish and school. If you are a renewing member, you know this is a good time. If you are new or curious, quit wondering and join in the fun. This is a no-brainer.
