

MISSION:

BRAINSTORMING FOR COMMUNION / SPIRITUAL STEWARDSHIP

- If we get more people involved, then our communion increases.
- Celebrating Virgin Mary as Our Lady of Guadalupe on December 12th.
Two weeks before the celebration, have someone come to all the Masses and talk about Our Lady of Guadalupe and invite them to our celebration.
- Reeducate people more about the beauty of the sacraments.
Enhancing people's relationship with the sacraments will improve their relationship with the Lord.
- Make the sacrament of Reconciliation a little more available.
- Engaging people to come to Mass for whatever reason, and something will attract them.
- Bilingual Mass.
Celebrate our diversity and become all ONE community interested in participating in part of the Mass.
Teaching, celebrating and making a dialogue with the people (if the priest would make a dialogue with the kids).
- Invite people – ONE on ONE – to participate on the different parts of the Mass.
