December 2009

Dear Proprietor,

In 2010, Queen of Angels School will mark its 100<sup>th</sup> anniversary. We ask you to join in supporting us as we raise our glasses in celebration at our annual fundraising auction, Winter Toast.

On February 20, 2010 hundreds of guests will attend Winter Toast to bid on a sophisticated selection of one-of-a-kind packages. We anticipate it will once again be a profitable fundraising endeavor for Queen of Angels and would like to share our success with you. Winter Toast is a chance for parishioners, school parents and residents of our community to become familiar with your business, recognize your generosity and in turn offer you their support.

If you would like to donate an item, package or service that would help celebrate our school's centennial anniversary, further our cause and showcase your business, please contact Erin Shea at [erin\\_shea@shealawgroup.com](mailto:erin_shea@shealawgroup.com) or 773-365-0040. Once we have secured your donation we will be pleased to supply you with a form that includes our Tax ID number and all other pertinent charitable contribution information.

On behalf of the entire Queen of Angels community, we offer our heartfelt thanks for your generous donation. It is your kind participation that ensures the continued success of Winter Toast.

With sincere gratitude,

James T. Kaczorowski
