School Board Background

School Board Mission

Queen of Angels School will recognize and share the mission of the Church to proclaim the message revealed by God through Christ, to offer the experience of a Christian community, and to lead its students to a life of prayer and Christian service. The school will engage students in both an academic and spiritual endeavor, which challenges their academic needs, fosters their artistic and cultural talents, promotes health, physical development and affirms their goodness and the goodness of others. It will encourage them to grow in accepting Christian responsibility to self, to family, to Church, to community and to country. Its primary concern will be the intellectual and spiritual development of each of the students attending Queen of Angels School. As the official representatives of the Parish community and the parents of its school children, Queen of Angels School Board contributes to this mission.
