

Harvest Jam Chili Cook-Off Contest Rules

Normally, chili cook-offs require that chili be prepared on site. These rules have been adapted to allow chili to be prepared in advance.

- 1) Traditional chili is defined as any kind of meat or combination of meats, cooked with chili peppers, various spices and other ingredients. Beans, which are normally excluded, may be used in this competition. Other fillers such as pasta or rice are not allowed. Vegetarian chili is allowed.
- 2) All chili should be prepared at home. Please bring chili in a crock-pot to keep it warm throughout the afternoon. Electrical outlets will be available.
- 3) You will be provided with small tasting bowls, utensils, and napkins.
- 4) You are free to serve your chili with any condiments you provide (sour cream, cheese, or onions); however, the sample provided to the judges must not contain any extras.
- 5) You must be present on Sunday at Harvest Jam to offer tastings. (Times to be determined)
- 6) Chili will be judged for the following attributes: taste, consistency, aroma, color, and bite (heat).
- 7) Prizes will be awarded in the following areas: hottest, best, and most popular. Hottest and best chili will be chosen by judges. Most popular chili is voted on by spectators. Only one vote per person.
- 8) All contestants receive service hours for their time!
